Un nuovo gioiello arricchisce la collezione Design Writing

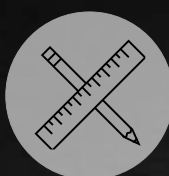

Pininfarina NOVANTA, rappresenta la quintessenza del design e dello stile inconfondibile del brand nei suoi 90 anni di storia in cui passato, presente e futuro si fondono in perfetta armonia. Realizzata completamente in Italia attraverso micromeccanica di precisione, Pininfarina NOVANTA è perfetto equilibrio tra stile e funzione grazie al suo pennino calibrato capace di garantirne le prestazioni in tutte le condizioni atmosferiche.

A new jewel enriches the Design Writing collection

Pininfarina NOVANTA represents the quintessence of the design and unmistakable style of the brand in his 90 years of history, in which past, present and future are matched in a perfect harmony. Made completely in Italy through high-precision micromechanics, Pininfarina NOVANTA is the perfect balance between style and function, thanks to its calibrated nib that ensure high performances in all the atmospheric conditions.
